Mr. Brian Mills  
National Electricity Division  
Office of Electricity Delivery and Energy Reliability  
U.S. Department of Energy  
1000 Independence Avenue, SW  
Washington, DC 20585

Dear Mr. Mills,

[Name of museum, historical society, non-profit, etc., or, As a resident of \_\_\_\_\_, I] request[s] the right to become a consulting party to the Section 106 Review of the Northern Pass project under the authority of 36 CFR 800.2(c)(5).

[We/I] understand that [we/I] [are/am] eligible to participate due to the nature of [our/my] legal or economic relation to the undertaking or affected properties, or due to [our/my] concern with the undertaking's effects on historic properties. [Group's name/I] [has/have] a demonstrated interest in the undertaking by virtue of the proximity of the project's proposed route or of a previously identified alternative route to historical properties and archeological remains in [town name].

[Describe the nature of the party's interest in the historic resources potentially affected by the project, including the salient parts of the party's mission, properties, programs, etc., where relevant.]

[Group's name/I] expressly reserve[s] [our/my] interest in objecting to any Section 106 determinations already made.

Thank you for your attention.

Sincerely,

[Name]

[Title, if any]
